Re: ZC 05-36I, Toll DC II LP
Square 749 PUD Modification

Dear Commissioners:

At the conclusion of the public hearing for this matter held October 30, 2014, the Zoning Commission requested that the Applicant provide revised and additional drawings and materials responsive to the Commission's questions and requests. Those materials were scheduled to be submitted by November 21, with any response from Advisory Neighborhood Commission (ANC) 6C due by December 1.

The Applicant is continuing to address the issues raised by the Zoning Commission and requests additional time to provide its responsive materials. To that end, the Applicant requests the Commission's consent to submit its materials not later than 3:00 p.m. on December 15, 2014, with responses from the ANC due by 3:00 p.m., December 22. The Applicant understands that as a result of this changed schedule, final action would be considered at the Zoning Commission's January 12, 2015 meeting.

Thank you for your consideration of this request.

Sincerely,

Dennis R. Hughes
