FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 06-03 (Capitol Gateway Overlay District Review @ Square 743N, Lots 58-61, 63-66, 801-805, 813 and pt. 822 – 100 M Street, SE)

THIS CASE IS OF INTEREST TO ANC 6D

On February 1, 2006, the Office of Zoning received an application from 100 M St SE, L.L.C (the "Applicant"), on behalf of Square 743, Inc et al, owners of the property. The Applicant is requesting review and approval of new development along M Street, S E, pursuant to the Capitol Gateway Overlay District provisions set forth in Section 1604. In addition, the Applicant seeks special exception approval, pursuant to 11 DCMR § 1604.9, from the rear yard requirements set forth in § 774 and variance approval, also pursuant to 11 DCMR § 1604.9, from the court requirements of §776.

The property which is the subject of this application consists of approximately 26,400 square feet of land area and is located at 100 M Street, S.E. (Square 743N, Lots 58-61, 63-66, 801-805, 813 and pt. 822 and a portion of the public alley to be closed). The property is bounded to the east by a public alley, to the south by M Street, S.E., to the west by 1st Street, S E., and to the north by adjacent property. The property is currently vacant and is zoned C-3-C, a district in which office uses are permitted as a matter-of-right.

The Applicant proposes to redevelop the property with a new twelve-story office building with ground floor retail. Four levels of below-grade parking will be provided. The floor area ratio ("FAR") of the property will be approximately 9.96 FAR. The building height will measure approximately 130 feet. The property will be extensively landscaped. Vehicular access to required parking will be provided from 1st Street, S E.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations 11 DCMR, § 3022.

Interested persons or representatives of organizations will be heard at the public hearing. **Any person who desires to participate as a party in this case must so request and must comply with the provisions of 11 DCMR 3022.3**. A party has the right to cross-examine witnesses, to

submit proposed findings of fact and conclusions of law, to receive a copy of the written decision of the Zoning Commission, and to exercise the other rights of parties as specified in the Rules. Except for the applicant and the ANC, to participate as a party in a proceeding before the Commission, **any affected person shall file with the Commission, not less than fourteen (14) days prior to the date set for the hearing, a written statement containing the following information:**

- (a) The person's name and address;
- (b) A request to appear and participate as a party,
- (c) Whether the person will appear as a proponent or opponent of the application,
- (d) Whether the person will appear through legal counsel, and if so, the name and address of legal counsel,
- (e) A list of witnesses who will testify on the person's behalf; and
- (f) A written statement setting forth why the person should be granted party status, including reference to the following

 - (3) The distance between the person's property and the property that is the subject of the application before the Commission,
 - (4) The environmental, economic, social, or other impacts likely to affect the person and/or the person's property if the action requested of the Commission is approved or denied,
 - (5) An explanation of how the person's interest as identified in response to paragraph (4) would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public

The Commission shall determine who will be recognized as a party. In so determining, the Commission shall consider whether the provisions of § 3022.3 have been complied with and whether the specific information presented qualifies the person as a party. The Commission
