Dear Members of the Commission:

Advisory Neighborhood Commission 6D, at its regularly scheduled April 10th meeting at which a quorum was present, with 4 of 7 commissioners necessary for a quorum, voted 4 in favor, 0 opposed, and 1 abstention to support the above-referenced application after a presentation by representatives of the applicant, along with a model of the project.

The ANC finds that the project meets the criteria set forth in Section 1604 of the Regulations and also supports the rear yard waiver and court variance along the exterior façade of the building requested by the Applicant.

We hope that you will give our Commission's view great weight as you consider this project.

Sincerely,

Andy Litsky
Chairman
