Washington, DC 20001

Dear Ms. Mitten:

It has come to my attention that the Zoning Commission will take action on Case 06-06 Text Amendment: Public Schools on September 25, 2006. Despite references to the contrary, neither I nor my staff was consulted in the development on the proposed changes, nor have we had an opportunity to review and/or comment on the final rulemaking.

I respectfully request that you delay further action on this effort until we have had an opportunity to review the proposal. This is particularly important as the proposed changes stand to impact our current management of school facilities and the implementation of the Master Facilities Plan recently presented to the Board of Education.

Your prompt attention to this matter is greatly appreciated. Thank you.

Sincerely,

Clifford B. Janey, Ed.D
Superintendent/Chief State School Officer
