**Re: Z.C. Case No. 06-11L – Application for Variance and Special Exception
Approval Related to Hillel at the George Washington University
Joint Request for Postponement of Decision**

Dear Chairman Hood and Members of the Commission:

The Applicant and the Church have continued to discuss the issues surrounding the above application, and agree that additional time would provide the parties with the ability to more fully evaluate and discuss potential resolution. Accordingly, the parties jointly request that the Commission postpone its proposed action on the above application by an additional month. If acceptable to the Commission, decision could be postponed until the Commission's October 20, 2014 public meeting, which would require that the Applicant's post-hearing submission and proposed orders from all parties be filed by Monday, October 6, 2014, and any responses to the Applicant's post-hearing submission be filed by Tuesday, October 14, 2014.¹

The parties have reached out to WECA and ANC 2A to inform them of the proposed postponement.

Please contact Dave at (202) 721-1137 with any questions.

Sincerely,
