HEARING DATE: May 22, 2006

DECISION DATE: May 22, 2006 (Bench Decision)

SUMMARY ORDER

The Commission provided proper and timely notice of public hearing on this application by publication in the D.C. Register, and by mail to the Applicant, Advisory Neighborhood Commission (ANC) 5B, and to owners of property within 200 feet of the property that is the subject of this application. The application was also referred to the Office of Planning for review and report.

The Subject Property is located within the jurisdiction of ANC 5B. ANC 5B, which is automatically a party to the application, submitted a written statement in support of the application.

The D.C. Office of Planning submitted a written report and testified in support of the application. The D.C. Department of Transportation submitted a written memorandum indicating no objection to the application.

As directed by 11 DCMR §3119.2, the Commission required the applicant to satisfy the burden of proving the elements which are necessary to establish the case for a special exception under 11 DCMR §210. No person or entity appeared at the public hearing in opposition to the application or otherwise requested to participate as a party in this proceeding. Accordingly, a decision by the Commission to grant this application would not be adverse to any party.

Based upon the record before the Commission, the Commission concludes that the Applicant has met the burden of proof, under 11 DCMR §§3104.1 and 210, and that the requested relief will be in harmony with the general purpose and intent of the Zoning Regulations and Map, and will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map. It is therefore ORDERED that the application be GRANTED.

Pursuant to 11 DCMR §3100.5, the Commission has determined to waive the requirement of 11 DCMR §3125.3 that the order of the Commission be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is appropriate in this case.
