FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 06-19 (Text Amendment – College and University Regulations)

**THIS CASE IS OF INTEREST TO ALL ADVISORY NEIGHBORHOOD
COMMISSIONS**

RECEIVED
DC OFFICE OF ZONING
2006 AUG - 4 PM 2:19

On April 10, 2006, the Office of Planning, on behalf of the District of Columbia, petitioned, through a set-down report, for a text amendment to amend the Zoning Regulations applicable to college and university uses located in residence zones. The Zoning Commission set-down the case for public hearing at its meeting of April 20, 2006. The case will be heard immediately prior to the hearing on ZC Cases 06-11 and 06-12, which pertain to the campus plan and first stage PUD applications of the George Washington University. The Office of Planning set down report also served as the pre-hearing statement for this case.

The proposed text amendment is as follows

Title 11 DCMR (Zoning) is proposed to be amended as follows (proposed new text is underlined and text to be deleted has strikethrough)

210.3 In R-1, R-2, R-3, R-4, R-5-A, and R-5-B Districts, the maximum bulk requirements normally applicable in the Districts may be increased for specific buildings or structures, provided, that the total bulk of all buildings and structures on the campus shall not exceed the gross floor area prescribed for the R-5-B District. In all other Residence Districts, similar bulk increases may also be permitted, provided, that the total bulk of all buildings and structures on the campus shall not exceed a gross floor area of 35 in the R-5-C District and 40 in the R-5-D and R-5-E Districts ~~the gross floor area prescribed for the R-5-D district~~. Because of permissive increases as applicable to normal bulk requirements in the low-density districts regulated by this title, it is the intent of this subsection to prevent unreasonable campus expansion into improved low-density districts.

Proposed amendments to the Zoning Regulations and Map of the District of Columbia are authorized pursuant to the Zoning Act of 1938, approved June 20, 1938 (52 Stat 797, D.C. Official Code § 6-641.01 *et seq.*) (2001 Ed.)
