Re. Intent to Testify on Case No. 06-19, Text Amendment – College and University Regulations

Dear Ms. Kress

This letter expresses the West End Citizens Association's (WECA's) intent to testify on Case No. 06-19, Text Amendment – College and University Regulations. The Zoning Commission's August 4, 2006 Notice of Public Hearing requested such notification by stating, "All individuals, organizations, or associations wishing to testify in this case should file their intention to testify in writing." Unfortunately, the Commission's Notice did not indicate any time limits for oral testimony by organizational witnesses. To appropriately prepare testimony, the WECA would appreciate an indication by you in advance of the hearing of any such time limit.

Also, please refer to the WECA's August 16th letter requesting "Party" status for Zoning Commission Case Nos. 06-11 and 06-12 to be heard on September 14, 2006 -- after Case No. 06-19, AND related Case No. 06-27 to be heard on November 20, 2006 (The George Washington University – Special Exception Application for a Campus Plan; The George Washington University – First Stage Planned Unit Development & Related Zoning Map Amendment; AND Boston Properties, Inc., *et al* – Consolidated PUD & Related Map Amendment for Square 54). In this letter, as WECA President, I indicated that Barbara Kahlow will be offered as an expert witness in the regulatory process. The Commission has previously accepted her as such an expert.

If any additional information is needed, Mrs. Kahlow can be reached during the day on (202) 965-1083. Please promptly provide her with the requested information by telephone or by e-mail to Barbara.Kahlow@verizon.net. Thank you.

Sincerely,

John C. Batham
