RE Zoning Commission Case No 06-32

Dear Ms Mitten and Members of the Commission

By and through counsel, the applicant in this rule making proceeding hereby requests the Commission to reschedule the March 5, 2007 public hearing on the above-referenced application for a period of ninety days. We understand from your staff that June 14, 2007 is available.

The building that occupies the square that is the subject of this application has been leased to the Government of the District of Columbia. The parties are currently discussing the government's long term space requirements for the building, a subject that plays an integral role in the Commission's consideration of this application. More time is required to conclude these discussions. Thank you.

Sincerely,

Jerry A. Moore III
