MEMORADUM

TO Zoning Commission

FROM *JS*
Jennifer Steingasser, Deputy Director
Office of Planning

DATE January 26, 2007

SUBJECT. Supplemental Report for Case No 06-33 Parking for Historic Structures
Request to keep record open

The Office of Planning has been working with the interested parties on language to clarify the parking for contributing historic structures, including representatives from Pillsbury Winthrop Shaw Pittman, Holland and Knight, Robins, Kaplan Miller and Ciresi, and Eastbanc Development. There have been two working sessions and OP believes that language can be drafted that will address issues raised at the public hearing. The Zoning Commission left the record open until January 26, 2007 for alternate language. OP and the working group respectfully request that the record remain open until March 1, 2007 so that OP can continue working with the parties to find appropriate language.
