ZONING COMMISSION

CASE No. 06-36A

EXHIBIT No. 11

To the DC Zoning Commission,

I hereby affirm that placards for Zoning Case 06-36A, having been originally posted (according to previous affidavit) on March 10, 2007, have been maintained since that date on a weekly basis. As per my affidavit of April 13th, 2007, placards were originally placed at 14th & Monroe Streets, NW, 14th & Newton Streets, NW, 14th & Oak Streets, NW, Oak Street at Center Street, NW, Center Street at Oak Street, NW, 16th & Newton Streets, NW, and 16th & Monroe Streets, NW.

On March 17th, all placards needed to be replaced, due to a recent storm that included freezing rain, sleet, and high winds. On March 24th, all placards were still in place, and no new ones were posted. On March 31st, all placards were still in place, and no new ones were posted. On April 7th, one placard was replaced at the corner of 16th & Monroe Streets, NW. All others were still in place, and no new ones were posted in those locations. Photos verifying these replacements were included with the April 13th affidavit.

After April 13th, placard maintenance continued.

On April 14th, all placards were still in place, but some were worn. New placards were, therefore, posted at the corners of 14th & Newton Streets, NW, 14th & Oak Streets, NW, 16th & Newton Streets, NW, and 16th & Monroe Streets, NW. Photos are attached.

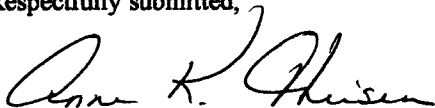

Following a storm on April 16th, all placards needed to be replaced as the wind and rain destroyed those previously posted. On April 18th, placards were posted at 14th & Monroe Streets, NW, 14th & Newton Streets, NW, 14th & Oak Streets, NW, Oak Street at Center Street, NW, Center Street at Oak Street, NW, 16th & Newton Streets, NW, and 16th & Monroe Streets, NW. Photos are attached.

On April 21st, 2007, all placards were in place and none needed to be posted.

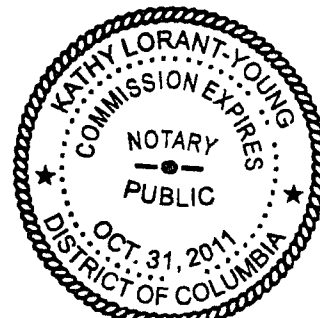

On April 27th, 2007, the placard on Center Street at Oak Street, NW was replaced. A photo is attached.

If you need further information or have any questions, please feel free to contact me at 202-328-2242.

Respectfully submitted,

Anne Theisen Commissioner, ANC1A05
Vice Chair, ANC1A
Chair, ANC1A Planning and Zoning Committee

attachments photos verifying April 14th, April 18th, and April 28th replacement of hearing placards
