Washington, DC 20001

To the DC Zoning Commission,

I hereby affirm that placards for Zoning Case 06-36A, having been originally posted (according to previous affidavit) on March 10, 2007, have been maintained since that date on a weekly basis. Photos are attached demonstrating this weekly maintenance.

Placards were originally placed at 14<sup>th</sup> & Monroe Streets, NW; 14<sup>th</sup> & Newton Streets, NW; 14<sup>th</sup> & Oak Streets, NW; Oak Street at Center Street, NW; Center Street at Oak Street, NW; 16<sup>th</sup> & Newton Streets, NW; and 16<sup>th</sup> & Monroe Streets, NW.

On March 17<sup>th</sup>, all placards needed to be replaced, due to a recent storm that included freezing rain, sleet, and high winds.

On March 24<sup>th</sup>, all placards were still in place, and no new ones were posted.

On March 31<sup>st</sup>, all placards were still in place, and no new ones were posted.

On April 7<sup>th</sup>, one placard was replaced at the corner of 16<sup>th</sup> & Monroe Streets, NW. All others were still in place, and no new ones were posted in those locations.

Maintenance will continue on a weekly basis until the scheduled hearing date of May 3, 2007 for zoning case 06-36A. A new affidavit will be submitted on that date verifying the maintenance between this date and the date of the hearing.
