**RE: Zoning Commission Case 06-38
Howard University new men's dormitory**

Dear Chairman Mitten.

At its regularly scheduled monthly meeting held on October 5, 2006 (notice of which was properly given, and at which a quorum of seven of eleven members was present) ANC1B voted (7-0) in support of this application for special exception to the approved campus plan of Howard University. In our resolution of support, Commissioner Mathews asked for and received assurance that this amendment to the campus plan will not include any new parking structures on Gresham Place. Concern was also expressed in regard to the access off 4th Street, and the Commission hopes that a full report on this potential safety concern will be fully addressed by DDOT prior to approval by the Zoning Commission. Commissioners Mathews and T Smith have been designated by ANC1B to represent the Commission on this application.

Sincerely,

Deairich R. Hunter, Chairman

RE: Zoning Commission Case 06-38
Howard University New Undergraduate Men's Living
and Learning Center

Dear Chairperson Mitten

On 21 November 2006 at ANC 5C regularly scheduled monthly meeting at which a notice was properly given and a quorum of six of eleven members were present, ANC 5C voted unanimously (six votes) in support of Howard University's request to amend the Campus Plan approved in 1998 to permit the construction of a new Undergraduate Men's Living and Learning Center, pursuant to 11 DCMR Sec. 3104.1 and in accordance with Sec. 210 of the Zoning Regulations. ANC 5C supports the full request of the University, including an application for: a special exception approval for the further processing of the approved campus plan to permit the construction of this facility, located on the main campus between Cramton Auditorium, Childers Hall and Greene memorial Stadium; and a special exception pursuant to Sec. 411 to allow three separate enclosures for its penthouse and mechanical equipment, and for locating two of the rooftop structures within the required setback from the exterior walls.

Sincerely,

Celia/Dianne Barnes

Re Zoning Commission Case # 06-38
Howard University Undergraduate Men's
Living and Learning Center

Dear Chairperson Mitten.

This letter is being written in support of Howard University's proposed Undergraduate Men's Living and Learning Center

On 18 September 2006, representatives from Howard University made a presentation before the Bloomingdale Civic Association at their regularly scheduled monthly meeting. Residents of the Bloomingdale community had an opportunity to ask questions about the project, received illustrated summaries describing the project and raised other questions regarding Howard's student presence in the Bloomingdale neighborhood that were not related to the specific project.

Members of the Bloomingdale community were also interested in learning the sentiments of ANC 1B as they related to this project, and I am in receipt of a copy of the letter from that ANC, dated 10 October 2006, in support of this facility.

The Bloomingdale Civic Association supports Howard University's efforts to upgrade their on-campus residential buildings, and therefore is in support of this specific project

Sincerely,

**PLEASANT PLAINS CIVIC ASSOCIATION
SINCE 1921**

October 5, 2006

At its September 12, 2006 monthly meeting, the members of the Pleasant Plains Civic Association voted to support the building of a new men's dormitory on the campus of Howard University. The membership gave its support to this project with the stipulation that the university not build a new parking facility on Gresham Place NW.

The vote is to be communicated to Advisory Neighborhood Commission 1B for its consideration during its next scheduled monthly meeting.

Sincerely,
