**RE: Zoning Commission Case 06-38
Howard University new men's dormitory**

Dear Chairman Mitten:

At its regularly scheduled monthly meeting held on October 5, 2006 (notice of which was properly given, and at which a quorum of seven of eleven members was present) ANC1B voted (7-0) in support of this application for special exception to the approved campus plan of Howard University. In our resolution of support, Commissioner Mathews asked for and received assurance that this amendment to the campus plan will not include any new parking structures on Gresham Place. Concern was also expressed in regard to the access off 4th Street, and the Commission hopes that a full report on this potential safety concern will be fully addressed by DDOT prior to approval by the Zoning Commission. Commissioners Mathews and T. Smith have been designated by ANC1B to represent the Commission on this application.

Sincerely,

Dearnich R. Hunter, Chairman
