A motion is a procedural device requested by a party to the case to bring a limited, contested issue before the Zoning Commission (ZC) or the Board of Zoning Adjustment (BZA) for decision. A party may submit a motion at any point; however it is recommended that motions be submitted ahead of time for consideration by the ZC or BZA.

A request is functionally similar to a motion. The difference is that requests are filed by those who are not parties, whereas motions are filed by those who are parties.
