

Exhibit B

Note:

1. Applicant requests the flexibility to vary the final selection of the exterior materials within the color ranges and material types (maintaining the same general level of quality) proposed, based on availability at the time of construction and further project design.
2. In the event that a structure is built adjacent to the subject property, the western facade finish, including windows and green walls, may be deleted for the portions of such facade comprising the party wall meeting such adjacent structure.
