ZONING COMMISSION  
District of Columbia  
CASE NO.06-41  
EXHIBIT NO.15

**ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA  
NOTICE OF PUBLIC HEARING**

**TIME AND PLACE:**                      **Thursday, February 22, 2007, @ 6:30 P.M.**  
   **Office of Zoning Hearing Room**  
   **441 4<sup>th</sup> Street, N.W., Suite 220**  
   **Washington, D.C. 20001**

**FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:**

**CASE NO. 06-41 (Capitol Gateway Overlay District Review @ Square 653, Lot 111 – 1325 South Capitol Street, S.W.)**

**THIS CASE IS OF INTEREST TO ANC 6D**

On September 8, 2006, the Office of Zoning received an application from Camden Development, Inc. (the "Applicant") for review and approval of new development along South Capitol Street pursuant to proposed § 1610.

Although the property is currently located in the C-2-C Zone District, it is nevertheless subject to the provisions of the CG Overlay (11 DCMR, Chapter 16) as a result of the Zoning Commission's decision of May 25, 2006, to hold a hearing on Z.C. Case No. 06-25. That case, among other things, would include the property within the Overlay. See 11 DCMR § 3202.5 (a building permit filed for a property that the Commission is considering rezoning must comply with the most restrictive provisions of the current or proposed zone). The hearing on the rezoning proposal is scheduled for November 16, 2006 at 6:30 p.m. at the location stated above.

Also on May 25, 2006, the Zoning Commission took proposed action on Z.C. Case No. 05-10, which would subject a proposed building on the property to Commission review. If and when that rule becomes effective, it will apply to the subject property unless the Commission rejects the rezoning proposed in Z.C. Case No. 06-25. Because the Applicant believes the review requirement will apply before a building permit can be filed, it wishes to have a review hearing in anticipation of the rule change. No decision to grant or deny the application will occur until final action is taken with respect to Z.C. Case No. 05-10.

In addition, the Applicant seeks variance relief from the height requirements set forth in 11 DCMR § 770, the residential recreation space requirements set forth in 11 DCMR § 773, and the court requirements set forth in 11 DCMR § 776. The Applicant also seeks special exception approval for the number, location, and differing heights of the rooftop structures pursuant to 11 DCMR §§ 777 and 411.

The property that is the subject of this application consists of approximately 41,019 square feet of land area and is located at 1325 South Capitol Street, S.W. (Square 653, Lot 111). The Square is bounded to the east by South Capitol Street, S.W., to the south by O Street, S.W., to the west by Half Street, S.W., and to the north by N Street, S.W.

The Applicant proposes to develop the property with a new eleven-story residential building with the potential for ground floor retail. The height of the building will be 110 feet along South Capitol Street and 70 feet, 8 inches closest to the rowhouses to the west of the property. Three levels of below-grade parking will be provided. The floor area ratio of the building will be approximately 6.6. The property will be set back from South Capitol Street, S.W. by 15, feet and vehicular access to parking and loading docks will be provided from O Street, S.W.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations 11 DCMR § 3022.

Interested persons or representatives of organizations will be heard at the public hearing. **Any person who desires to participate as a party in this case must so request and must comply with the provisions of 11 DCMR § 3022.3.** A party has the right to cross-examine witnesses, to submit proposed findings of fact and conclusions of law, to receive a copy of the written decision of the Zoning Commission, and to exercise the other rights of parties as specified in the Rules. Except for the applicant and the ANC; to participate as a party in a proceeding before the Commission, **any affected person shall file with the Commission, not less than fourteen (14) days prior to the date set for the hearing, a written statement containing the following information:**

- (a) The person's name and address;
- (b) A request to appear and participate as a party;
- (c) Whether the person will appear as a proponent or opponent of the application;
- (d) Whether the person will appear through legal counsel, and if so, the name and address of legal counsel;
- (e) A list of witnesses who will testify on the person's behalf; and
- (f) A written statement setting forth why the person should be granted party status, including reference to the following:
  - (1) The property owned or occupied by such person, or in which the person has an interest, that will be affected by the action requested of the Commission;
  - (2) The legal interest such person has in such property, such as owner, tenant, trustee, or mortgagee;

- (3) The distance between the person's property and the property that is the subject of the application before the Commission;
- (4) The environmental, economic, social, or other impacts likely to affect the person and/or the person's property if the action requested of the Commission is approved or denied;
- (5) An explanation of how the person's interest as identified in response to paragraph (4) would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public.

The Commission shall determine who will be recognized as a party. In so determining, the Commission shall consider whether the provisions of § 3022.3 have been complied with and whether the specific information presented qualifies the person as a party. The Commission shall grant party status only if the person requesting party status has clearly demonstrated that the person's interests would likely be more significantly, distinctly, or uniquely affected by the proposed zoning action than other persons in the general public.

Any person wishing to be considered a party should clearly state the request, and should also provide a daytime telephone number should it be necessary for the Office of Zoning to obtain additional information or clarification prior to the hearing. Written statements, in lieu of personal appearances or oral presentations, may be submitted for inclusions in the record.

The Zoning Commission hereby gives notice of the following procedures applicable to this case. Any person requesting to appear as a party to this application shall submit the following additional information:

1. A summary of the testimony of each witness.
2. An indication of which witnesses will be offered as expert witnesses, the areas of expertise in which any experts will be offered, and the resumes of qualifications of the proposed experts.
3. The total amount of time being requested to present the case.

**If an affected Advisory Neighborhood Commission (ANC), pursuant to 11 DCMR § 3012.5, intends to participate at the hearing, the ANC shall also submit the information cited above relating to the hearing procedures. The written report of the ANC shall be filed no later than seven (7) days before the date of the hearing.**

The Zoning Commission gives further notice that it intends to establish time limits for oral presentations of both parties and persons. Accordingly, the following time limits shall apply:

The Commission intends to adhere to the time limits as strictly as possible, in order to hear the case in a reasonable period of time. The Commission reserves the right to change the time limits for presentations if necessary and notes that no time shall be ceded. The Commission also requests that all witnesses prepare their testimony in writing, submit the written testimony prior to giving statements, and limit oral presentations to summaries of the most important points.
