

**M**r. Liebmann joined WDG in 1987 and served as Director of Architectural Design prior to becoming a Principal. Recognized as a designer of sensitivity and vision, he plays a leading role in the design of WDG's commercial, residential and hospitality projects. His design work will be featured in a soon to be released publication celebrating the 120th anniversary of the prestigious Rotch Traveling Scholarship Competition, sponsored by the Boston Society of Architects. Prior to joining WDG, he was a Senior Designer with Richard Meier and Partners as well as serving as a designer with Cesar Pelli and Associates. Mr. Liebmann was a member of the design team responsible for the World Financial Center in lower Manhattan.
