RE: Case No. 07-03

TO: Members of the Zoning Commission

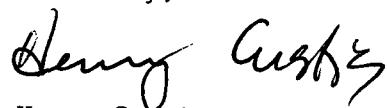

At its March 26, 2007 meeting ANC 3/4G by a vote of 2 to 2 with 3 abstentions did not take a position on Zoning Commission Case No. 07-03 (Minimum lot dimensions in the R Residential Districts - Text Amendment). As a constituent of ANC 3/4G, an attendee of the meeting and supporter of the text amendment, I submit this statement to the members of the Zoning Commission.

Passage of amended subsection 401.1 is important as added protection for residential neighborhoods coexisting with non-conforming uses. The recycling of uses on non-conforming lots in residential zones is detrimental to the long term goal of returning the property to the use specified by the underlying R zoning.

I urge your support for this amendment.

Thank you for your attention.

Sincerely,

Henry Custis
