RE: Canal Park and Baseball Parking

To Commission Members:

I just learned of the deadline to submit input on your July 30, 2007 meeting when you will consider temporary parking for the National's Baseball team. I respectfully request your consideration in opposing the blocks slated for Canal Park be used as temporary parking lots.

I know I speak on behalf of many of the residents of Capitol Hill Tower, one of the first new residential buildings in the new Near Southeast who are excited and eager for completion of Canal Park as scheduled next year. While we appreciate the need to accommodate the demands of fans and are excited to have the stadium near our homes, we believe balancing amenities to include open space for residents is essential.

Sincerely,

Curt Harris
