Re: Z.C. Case No. 07-10 (Emergency Text Amendment to H Street NE Neighborhood Commercial Overlay District)

Dear Mr. Fengler:

The Office of Zoning has received and reviewed the request for the application cited above, which requests:

Approval of a text amendment to add § 1327 to the text of the H Street NE Neighborhood Overlay District, which would suspend acceptance by the Office of Zoning of any application for upzoning within the H Street Overlay District for a period of five years.

The Office of Zoning has determined that your application is complete, that it meets the basic filing requirements. This application has therefore been accepted for processing.

The Office of Planning (OP) will further process this application prior to it being presented to the Zoning Commission. The initial consideration given to the application concerns whether the Commission should set the case down for a public hearing. The OP will make a recommendation on that issue to the Zoning Commission at one of its monthly meetings. The Zoning Commission generally meets on the second Monday of each month (with some exceptions) in the Office of Zoning Hearing Room, Suite 220, 441 4th Street, N.W., Washington, D.C. 20001.

Please contact this office no later than the Thursday before the second Monday of each month to determine the meeting at which the Commission will consider your filing. If you have any questions, please call the Office of Zoning on (202) 727-6311.

Sincerely,

A handwritten signature in cursive script that reads "Sharon S. Schellin".
