Re: Notice of Receipt of Z.C. Case No. 07-13D (TR SW 2, LLC – PUD Modification @ 65 I Street, S.W. (Randall School))

Dear ANC Chair & ANC/SMD Commissioner:

Pursuant to D.C. Official Code § 1-309.10 (b), the Zoning Commission for the District of Columbia hereby gives you notice of the receipt of an application from TR SW 2, LLC (the “Applicant”) for approval of a modification to a previously approved planned unit development (“PUD”) for property located in the southwest quadrant at 65 I Street, S.W., also known as Square 643-S, Lot 801. Please note that this case was filed electronically through the Interactive Zoning Information System (“IZIS”). You can access and file your report for this case through IZIS at <http://app.dcoz.dc.gov>.

Pursuant to D.C. Official Code § 1-309.10(d)(2), the Zoning Commission must wait thirty days, excluding Saturdays, Sundays, and holidays before it can make its decision on this application. However, as a practical matter, the Commission cannot make a decision that soon, because it must first hold a public hearing and the National Capitol Planning Commission is thereafter given thirty days to review the application.

You will also receive notice of the hearing date at least 40 calendar days in advance. If your ANC wishes to participate as a party, then the written report must be received no later than seven days prior to the hearing date and contain the information required by 11 DCMR § 3012.5. Form 129 – Advisory Neighborhood Commission (ANC) Report, which is attached for your convenience, is the preferred mechanism to complete this Report. In the alternative, you can review § 3012.5, which states the required information for the written report, a copy of which is included at the bottom of this letter. Any written report received prior to the close of the record in this case that contains that information will be given “great weight.”

Great weight does not mean that the Zoning Commission must defer to an ANC’s view, but instead requires acknowledgement of the ANC as the source of the recommendations and explicit reference to each of the ANC’s issues and concerns. It is therefore important that the written report not only indicate whether the ANC supports or opposes the application, but that it also identify each issue and concern that led to the recommendation made.

If you have any questions, please do not hesitate to contact me at (202) 727-6311.

Sincerely,

Sharon S. Schellin
Secretary to the Zoning Commission

- (a) An identification of the application or petition;
- (b) When the public meeting of the ANC to consider the application or petition was held;
- (c) Whether proper notice of that meeting was given by the ANC;
- (d) The number of members of the ANC that constitute a quorum and the number of members present at the meeting;
