**Re: ZC Case No. 07-13D – Post Hearing Submission  
65 Eye Street, SW (Square 643-S, Lot 801)**

Dear Members of the Commission,

On behalf of ANC-6D, I submit the following supplemental information in response to a request of the Zoning Commission made during the meeting held on this matter on January 27, 2014. At that meeting, the Commissioners stated that they wanted to learn that more substantive discussions had taken place between ANC-6D and the Applicant in an effort to amend the existing agreement dated July 12, 2010 and resolve our lingering concerns prior to final action on this matter.

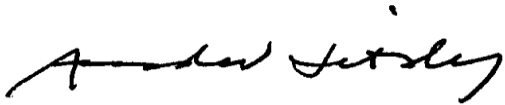

Over the past several weeks, those discussions have been held. Consequently, the Applicant has submitted the following e-mail communication (attached) indicating that the Applicant substantively agrees to:

- Provide technical amendments to the July 12, 2010 agreement to reflect the current modified PUD before the Commission and eliminate non-germane elements previously proposed.
- Provide a greater level of detail to the proffers contained in the January 24, 2014 joint letter to the Zoning Commission that requested that the record be left open to accept a revised agreement.
- Adopt the Construction Management Plan submitted previously by ANC-6D as our “Attachment A.”
- Support Residential Parking Permit restrictions prior to issuance of certificate of occupancy and provide evidence to the ANC that restrictions shall be included in residential leases or condominium documents that prohibit residential lessees or owners from obtaining RPP. The Applicant shall also provide evidence to the ANC that the residential building(s) has been removed or excluded from the RPP program.

The ANC-6D negotiating committee believes that the proposed amendments to the agreement are acceptable and, once it has been signed by the Chairman of ANC-6D, will ultimately serve the mutual interests of the SW Community and the Applicant.

Accordingly, we encourage the Zoning Commission to move toward final action.

Writing on behalf of ANC-6D,

Andy Litsky  
Vice Chairman, ANC-6D

Regarding Randall Junior High School

Washington, D.C. 20024

THIS AMENDMENT to the Agreement regarding Randall Junior High School, 65 I Street, S.W., Washington, D.C. 20024 ("**Amendment**"), is made this \_\_\_ day of February, 2014, by and between TR SW 2 LLC ("**TR SW**") and Advisory Neighborhood Commission ("**ANC**") 6D.

Recitals

- A. TR SW, successor in interest to TR SW LLC, and ANC 6D entered into an agreement ("**Agreement**") concerning the legislation in the District of Columbia Council to revise the Declaration of Covenants on the property known as Lot 801 in Square 643-S, premises address 65 I Street, S.W., the site of the former Randall Junior High School ("**Property**"). The Agreement was executed by the signatories on July 7, 10, and 12, 2010.
- B. The Agreement describes the proposed development parameters and uses at the Property, community benefits to be created as a result of the proposed development, and reporting obligations. In 2010, the development parameters for the Property contemplated an art museum, hotel, retail, commercial, and residential uses.
- C. TR SW now proposes to develop the Property with an art museum, retail, commercial and residential uses, but no hotel uses, as more particularly described in the modification of an

approved planned unit development in Zoning Commission Case No. 07-13D ("**Modified PUD**").

D. TR SW and ANC 6D desire to amend the Agreement to reflect the new development parameters to exclude hotel uses, and to enhance the community benefits to be implemented as a result of the PUD.

NOW THEREFORE, TR SW and ANC 6D amend the Agreement, as follows:

1. Delete "hotel," in Sections I.A.
2. Delete "hotel" in paragraphs 1 and 2 of Section II.D., and in paragraph 2 of Section III.B., and substitute "museum" in its place.
3. In Section II.A.3., delete "ANC 6D" and substitute "the Community Benefits Coordinating Council" in its place.
4. Add the following new provisions to the end of Section II.B.:
  - "5. Construction Management Plan. TR SW shall establish a construction management plan during the construction of the Modified PUD in substantially the same form as attached hereto as Attachment A.
  - "6. Residential Parking Permit Restrictions. Prior to the issuance of a certificate of occupancy for the residential portion of the Modified PUD, TR SW shall provide evidence to the ANC that restrictions will be included in the residential leases or condominium documents prohibiting residential lessees or owners from obtaining a residential parking permit ("RPP") from the Department of Motor Vehicles. TR SW shall also provide evidence to the ANC that TR SW has requested that the building be removed or excluded from the RPP program."
5. Section II.D. of the Agreement, entitled "Art in the Neighborhood", is amended to add the following new provisions at the end:
  - "9. Southwest Historic District Study. Prior to the issuance of a certificate of occupancy for the Modified PUD, TR SW shall contribute \$20,000.00 to the Southwest Neighborhood Assembly to support the study and development of a Southwest Washington historic district. TR SW shall pay the full amount within ten days after the D.C. Zoning Commission issues a final, unappealable approval order in Z.C. Case No. 07-13D.
  - "10. Randall Recreation Center Arts Programming. Beginning within ten days after the D.C. Zoning Commission issues a final, unappealable PUD approval order in Z.C. Case No. 07-13D, and ending prior to the issuance of a certificate of occupancy for the Modified PUD, TR SW shall contribute \$1,000.00 a month to the Community Benefits Coordinating Council ("CBCC"), for a period

of five years, to help fund arts training and education at the Randall Recreation Center. CBCC will create a plan for arts programming in consultation with Washington Project for the Arts and others, including TR SW. TR SW may accelerate the payment in order to obtain a certificate of occupancy for the Modified PUD."

6. TR SW shall provide the following community, arts and education-related benefits listed in the Agreement for a period of ten years:
