Case No. 07-14A

From: Raymond W. Chandler
Single Member District
ANC Commissioner 5B03
(Letter of Opposition)

I am writing on behalf of my Community, in regards to the Rezoning Case No. 07-14A; for Lot 817 and Lot 56, on Square 3848, and Lots 800, 801 and 802 on Square 3854. After our Community Meeting with Mr. Jackson and Mr. Crain; from the Office of Planning, along with Israel Manor Inc. on August 14, 2007. Our Residents strongly oppose the entire concept of rezoning this area. Moreover, with the upcoming plans for the Metro development, my single member District stress that there is no continuity between the two projects. There is a strong desire for Green Space in our Community. If this rezoning is allowed to move forward, it will forever negatively impact our quality of life. We asked for a traffic study to be considered for this project only, during our meeting with all parties. However, our requests remain unforeseen.

Public safety issues, in regards to the Seniors housed in the Center, have not been fully researched to satisfy the residents currently residing in the impacted area. My Community is in a quandary as to why there is a need to rezone an area that cannot sustain a project of any size. I have enclosed a Petition of Opposition from the Residents who live in the affected area.

Sincerely Yours,

ANC Commissioner, Raymond W. Chandler 5B03
