RECEIVED

After consultation with the affected parties, the Office of Planning (OP) requests that the Zoning Commission postpone the public hearing for Case # 07-33 scheduled for Thursday, February, 21, 2008 to a date certain of March 13, 2008.

The Board of Zoning Adjustment (BZA) is hearing an appeal of the Zoning Administrator's decision that off-premises alcohol beverage sales is an accessory use to the larger grocery store and therefore special exception review is not required (Appeals 17675 and 17677).
