ZONING COMMISSION
District of Columbia
CASE NO. 07-34
EXHIBIT NO. 22

**ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA
NOTICE OF PUBLIC HEARING**

TIME AND PLACE: **Monday, April 28, 2008, @ 6:30 P.M.**
 Office of Zoning Hearing Room
 441 4th Street, N.W., Suite 220-South
 Washington, D.C. 20001

FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

Case No. 07-34 (Petition of Anne Sellin and Richard Busch to Amend the Zoning Map, Portions of Squares 176, 177, 177N, 178, 190, 191, 206, and 207, and Related Text Amendment to Include the Properties in the Dupont Circle Overlay District)

THIS CASE IS OF INTEREST TO ANC 2B

Anne Sellin and Richard Busch, through a petition dated December 10, 2007, requested amendments to the Zoning Map to rezone the area generally bounded by S, T, U, 15th, and 16th Streets and New Hampshire Avenue, N.W. The petition requested rezoning those properties currently zoned in the R-5-D Zone District to the R-5-B Zone District; those properties located in the R-5-B Zone District to the R-4 Zone District; and to include all the properties in the Dupont Circle Overlay District (DC).

The R-5 Districts are general residence districts designed to permit flexibility of design by permitting in a single district, except as provided in §§ 350 through 361 of the Zoning Regulations, all types of urban residential development if they conform to the height, density, and area requirements established for these districts. The R-5 Districts also permit the construction of those institutional and semi-public buildings that would be compatible with adjoining residential uses and that are excluded from the more restrictive Residence Districts. In R-5-D Districts a relatively high height and medium-high density is permitted. In the R-5-B District a moderate height and density is permitted.

The R-4 District is designed to include those areas now developed primarily with row dwellings, but within which there have been a substantial number of conversions of the dwellings into dwellings for two (2) or more families.

The Dupont Circle Overlay District is designed to protect the low scale, predominantly residential character, independent small retail businesses, human scale streetscapes, and historic character of the Dupont Circle area given the high-density development pressures created by the proximity of the Central Employment Area and the Dupont Circle Metrorail station.

At a properly noticed special public meeting on February 11, 2008, the Zoning Commission set down the case for a public hearing.

The proposed amendments to the Zoning Map and Zoning Regulations are as follows:
