Re: Case 07-34 (Dupont Circle Consistency Remapping)

April 21, 2008

Mr. Anthony Hood, Chairman D.C. Zoning Commission
441 4th St. N.W.
Suite 210
Washington, D.C. 20001

We request that the Zoning Commission waive the ^{(30-day requirement) RB} notification of the placard posting affidavit date that was submitted in this case. There was a misunderstanding on our part about the date of submission of the affidavit and it has been submitted late.

The posting of the placards was done on March 18, 2008: they have been checked every week since. The Office of Planning can attest that in March it received queries from individuals that resulted from the postings.

Thank you for your consideration.

Yours sincerely,

Anne Sellin

Richard Busch.
