The Applicant is requesting review and approval of a proposed 110-foot building along M Street, S.E., pursuant to Southeast Federal Center Overlay District provisions set forth in Sections 1803.6 and 1803.8. In addition, the Applicant seeks special exception approval, pursuant to 11 DCMR § 3104.1, for relief from the rooftop structure requirements of § 639, and variance relief pursuant to § 3103 from the rear yard requirements of § 636, the preferred use requirements of § 1803.3, and the loading requirements of § 2201.1.

The property which is the subject of this application consists of approximately 101,376 square feet of land area and is located within the Southeast Federal Center (part of Square 826). The property is generally bounded by M Street, S.E. to the north, 4th Street, S.E. to the west, a site identified as "Parcel E-1" to the east, and the proposed extension of Tingey Street, S.E. to the south. The property is currently is currently paved but otherwise unimproved and is zoned SEFC/CR.

The Applicant proposes to construct a new mixed-use building to include two towers with a shared loading pavilion between the two towers. A ten story office tower with ground floor retail to include a proposed grocery store will be located in the northern portion of the subject property and an eleven story residential tower with ground floor retail will be located in the southern portion. Two levels of below grade parking will be provided. The floor area ratio of the property will be approximately 5.89. Vehicular access to the parking will be located off of 4th Street, S.E. Access to the loading pavilion will be located off of 4th Street, S.E. and egress will be provided by a private alley to be located on the east side of the site.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations 11 DCMR, § 3022.
