RE: Hay-Adams Roof Top Addition

Dear Councilmember Evans:

The purpose of this letter is to confirm that the Secret Service is aware of, and has been advised by the hotel, of its intention to construct a one story addition which encloses the existing roof terrace level. The Secret Service has no objection to the hotel's proposed addition provided that the Hay-Adams agrees to coordinate with and keep the Secret Service advised of the design, lighting and operation of the facility.

Very truly yours,

Joseph P. Clancy
