**Re: Case No. 08-04
Waterfront Park at The Yards
(Southeast Federal Center)**

Dear Chairperson Hood and Commissioners:

At a duly noticed public meeting on May 12, 2008 at which a quorum was present (four of seven Commissioners constituting a quorum), ANC 6D voted 7-0 to support the application of Forest City Washington for approval of its design for a waterfront park at The Yards (Southeast Federal Center).

The park, and the activity it will generate, will greatly enhance the Anacostia waterfront and contribute to the renewal of one of our region's greatest assets. ANC 6D is also pleased with the Applicant's focus on making the park environmentally sustainable.

This park is a thoughtful and creative design that will provide a lively destination for all Washingtonians, and it will be a significant asset to the Near Southeast/Southwest community. As the project moves forward, we look forward to working with the Applicant to assure that local community residents are fully included in training and employment programs, both during the park's construction and beyond.

ANC 6D trusts that the Zoning Commission will give its views great weight. Thank you for your consideration.

Sincerely,

Roger Moffatt
Chair
