This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.

How to participate as a witness.

Interested persons or representatives of organizations may be heard at the public hearing. A party has the right to cross-examine witnesses, to submit proposed findings of fact and conclusions of law, to receive a copy of the written decision of the Zoning Commission, and to exercise the other rights of parties as specified in the Zoning Regulations.

Except for the affected ANC, any person who desires to participate as a party in this case must clearly demonstrate that the person's interests would likely be more significantly, distinctly, or uniquely affected by the proposed zoning action than other persons in the general public. Persons seeking party status **shall file with the Commission, not less than fourteen (14) days prior to the date set for the hearing, a written statement containing the following information:**

- (e) A list of witnesses who will testify on the person's behalf;
- (f) A summary of the testimony of each witness;
- (g) An indication of which witnesses will be offered as expert witnesses, the areas of expertise in which any experts will be offered, and the resumes or qualifications of the proposed experts;
- (h) The total amount of time being requested to present their case; and
- (i) A written statement setting forth why the person should be granted party status, including reference to the following:

- (1) The property owned or occupied by the person, or in which the person has an interest, that will be affected by the action requested of the Commission;
- (2) The legal interest the person has in said property, such as owner, tenant, trustee, or mortgagee;
- (3) The distance between the person's property and the property that is the subject of the application before the Commission;
- (4) The economic, social, or other impacts likely to affect the person and/or the person's property if the action requested of the Commission is approved or denied; and
- (5) An explanation of how the person's interest as identified in response to paragraph (4) would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public.

The applicant shall also provide the information indicated in (e) through (h) to the extent that the information is not contained in the Applicant's prehearing submission as required by 11 DCMR § 3013.1. The information shall be filed no later than fourteen (14) days before the date of the hearing.

If an affected Advisory Neighborhood Commission (ANC) intends to participate at the hearing, the ANC shall submit the written report described in § 3012.5 no later than seven (7) days before the date of the hearing. The report shall also contain the information indicated in (e) through (h) above.
