Jordan Goldstein, AIA, LEED® AP

Principal and Managing Director

Project Principal

Joined Gensler 1994

14 years experience

Jordan Goldstein is an award-winning designer and managing director with Gensler's Washington, DC office. Over the past few years, Jordan's projects have won national and regional design awards and been published in several design periodicals, including Metropolitan Home magazine, Interior Design, Contract Design and The Washington Post. Jordan was named as one of the "40-Under-40" national industry leaders in Building Design & Construction magazine in 2007.

Jordan's work ranges from architecture projects with Monument Realty and Forest City to retail entities like Westfield Corporation. All are successful examples of projects using his expertise in design and collaborative work-style while keeping an eye on the client's goals.
