

GOVERNMENT OF THE DISTRICT OF COLUMBIA
OFFICE OF PLANNING**Memorandum**

TO: District of Columbia Zoning Commission

FROM: Travis Parker, Zoning Review Manager 
Office of Planning

DATE: June 26, 2008

SUBJECT: Zoning Review: Hearing on Height Recommendations 08-06-1

RECEIVED
D.C. OFFICE OF ZONING
JUN 26 PM 1:51

The Office of Planning requests that the July 10, 2008 hearing for the Zoning Review on the subject of Height be postponed until September 25, 2008. The language was originally submitted as zoning text. OP would like the opportunity to readvertise the proposed changes as recommendation statements with an accompanying report. The reason for this change is to allow the Commission and public to first have a discussion of the proposed policy changes before the recommendations are written into zoning text.

OP anticipates releasing a public report on Height the week of June 30, 2008. This report will be presented to the Taskforce for discussion at a meeting on July 10, 2008 and form the basis for the readvertisement to take place in late July.
