SUBJECT: I Support Changes to DC's Parking Regulations

DATE: July 31, 2008 02:45 PM

Dear Zoning Commission,

RE: Case No. 08-06-2

I support the proposed changes to DC's parking regulations. In this time of rising gas prices and concern about climate change, it's important we plan for a more walkable, vibrant, and affordable DC.

This is an opportunity to ensure our city grows to be even more walkable while encouraging more cycling and transit use, improving air quality, and reducing traffic congestion.

Please vote to support the changes proposed by Office of Planning, including:

- removing parking minimums for all housing and some commercial uses
- implementing parking maximums where appropriate
- requiring larger buildings to include bicycle parking
- encouraging car sharing (i.e. Zipcar),
- allowing shared parking, and
- charging developers who want to build excess parking.
