Re: Z.C. Case No. 08-06 (Comprehensive Zoning Regulations Review)

Dear Council Member Brown:

I am in receipt of your letter dated April 25, 2012, regarding the above-referenced matter.

The Zoning Commission will take your concerns into consideration as it moves forward with this docket. We are well aware of the community concerns, and will ensure that the public hearing process will provide a forum for all members of the public to share their issues with the Zoning Commission.

Unfortunately, I cannot address the specific zoning issues cited in your letter since the Commission has not publicly deliberated on any of these issues other than to provide general guidance to the Office of Planning. I would, therefore, suggest that you contact OP concerning these questions.

If you have any questions, or require additional information, please do not hesitate to contact me.

Sincerely,
