Re: Zoning Regulations Rewrite – Zoning Commission Case No. 08-06A
Comment from Events DC

Dear Chairman Hood and Members of the Zoning Commission:

I appreciate the opportunity to comment on the proposed regulations on behalf of Events DC. I have one comment relating to the site of the Convention Center.

It appears that under the proposed mapping, the site of the Convention Center¹ would be placed in two different zones each of which has a mandatory housing requirement. The final mapping should not impose a housing requirement on this site.

Sincerely,

Allison C. Prince
Director
