Re: Z.C. Case No. 08-07A

Dear Members of the Zoning Commission:

I write this letter to express my support for the above-referenced Zoning Commission application. I reside in the community immediately surrounding the subject site. It is my understanding that the applicant's intent is to build a new six-story residential building with approximately 71 residential units, and that 80 percent of the units will be dedicated as affordable housing. I strongly support the applicant's interest in constructing a new building on the property, and to devote the majority of it to affordable housing. As an adjacent neighbor, I have a strong interest in the well-being, continued revitalization, and stability of the area. Because I believe that the proposed building will not have any adverse impacts on the area, I strongly support the above-referenced application. I therefore respectfully request that you approve the project as designed.

Sincerely,
