Office of the Director

MEMORANDUM

DATE: November 14, 2008
TO: Sharon Schellin, Secretary to the Zoning Commission
FROM:  Jennifer Steingasser, Deputy Director, Development Review & Historic Preservation,
DC Office of Planning
SUBJECT: Zoning Commission Case 08-20, Submittal of a Substitute Supplemental Report for
an Emergency Text Amendment to regulate the establishment of a firearms retail
sales establishment use.

Please accept the attached revised Supplemental Report in substitute for the Supplemental Report filed with the Office of Zoning on November 12, 2008. The attached report should be provided to the Commission instead of the prior filing. The original submission requested that the Commission take proposed action on the text amendment as revised in the report, but did not also request that the Commission adopt the revised text on an emergency basis. According to the Office of the Attorney General, the Commission, should it accept these recommendations, would issue a notice of proposed and emergency rulemaking that would supersede the notice published in the August 8, 2008 edition of the *D.C. Register*. The Office of Planning has already requested a waiver to allow the acceptance of its prior submittal, which it hereby restates.
