Re: I-395 Air Rights Project, ZC Case #A 08-34, project modifications

Dear Mr. Hood:

On January 12, 2011, at the regularly scheduled, duly noticed meeting of ANC 6C, with a quorum of 8 of 9 Commissioners and the public present, the above-mentioned item came before us.

The Commissioners voted 7:1:0 to support the amendments to the plan affecting south block massing, retail strategy, and the Massachusetts Avenue Park.

The vote had two caveats: That the project provide First Source employment to D.C. residents, and that the representative of ANC 6C at the January 24, 2011 hearing be the resident chairman of our Planning, Zoning, and Environment Committee, Mr. Rob Amos.

Thank you for giving great weight to recommendations of ANC 6C.

On behalf of ANC 6C,

Karen Wirt  
ANC 6C chair
