Re: I-395 PUD, Zoning Case # A 08-34

Dear Mr. Hood:

As you likely know, the Zoning Commission has given ANC 6C a March 1 deadline for the community to respond to the applicant's additional filing that the Zoning Commission recently required for the above-mentioned PUD. Because of the extent of the changes, my understanding is the applicant will not have all changes ready for review by the time of our next monthly ANC 6C meeting on February 9. Thus we will be unable to address all the changes until our March 9 monthly meeting.

ANC 6C respectfully requests that the deadline for ANC 6C input be extended from March 1 until March 10, the day after our March 9 meeting so that the ANC can address all the modifications in this important project for our neighborhood.

Thank you for giving this ANC 6C recommendation great weight.

On behalf of ANC 6C,

Karen Wirt
ANC 6C chair
