Re: Zoning Commission Case No. 08-34F, Capitol Crossing, Modification to South Bloc.

Dear Chairman Hood and Members of the Commission,

On Monday, April 11th 2016, at the regularly scheduled, duly noticed meeting of Advisory Neighborhood Commission 2C, with a quorum of 3 of 3 Commissioners and the public present, the above-mentioned item came before us.

The Commission voted 3:0:0, to support the application for the following reasons:

The modification requested to the approved second stage plan, to make several small changes to the site plan, to incorporate habitable space, to the building's façade and the building's Penthouse are minor. The proposed modifications are consistent with the original approved plans and the changes will not have an adverse impact.

Thank you for giving "Great Weight" to the recommendations of the ANC.

On behalf of ANC 2C

John Tinpe
Chair,
