Re: Consent to 35-Day Waiver Request, Z.C. Case No. 08-34K, Capitol Crossing Center Block  
– Square 566, Lot 862

Dear Members of the Zoning Commission:

On June 11, 2019, at the regularly scheduled, duly noticed public meeting of ANC 2C, with a quorum of 3 of 3 commissioners present, the above-referenced matter came before us.

The Applicant requested a waiver from Subtitle Z, Section 400.9 of the Zoning Regulations, which requires that a public meeting to consider set-down of a contested case may not occur less than 35 days from the date that the application is filed. Because this case was previously filed as a Modification of Consequence and is being converted into a Modification of Significance without any substantive changes to the request itself, the ANC supports and consents to the Applicant's request to waive the 35-day requirement of Section 400.9. The ANC has been given sufficient time to review the request and does not believe that 35 days between filing the application and the set-down meeting are needed.

Thank you for giving great weight to the recommendation of the ANC on this request.

On Behalf of ANC 2C,
