ZONING COMMISSION
District of Columbia
CASE NO. 09-17
EXHIBIT NO. 21

**ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA
NOTICE OF PUBLIC HEARING**

TIME AND PLACE: **Thursday, December 3, 2009, 6:30 P.M. (2nd Case)**
 Office of Zoning Hearing Room
 441 4th Street, N.W., Suite 220-South
 Washington, D.C. 20001

FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

**CASE NO. 09-17 (Map Amendment and Special Exception: 3660 Alabama Avenue S.E.
(Parcel 207/64))**

THIS CASE IS OF INTEREST TO ANC 7B

On October 13, 2009, the Office of Zoning received an application from the District of Columbia Public Library (the "Applicant") for an amendment to Zoning Map of the District of Columbia that would designate the subject property, which is presently unzoned, within the R-5-A Zone District. A petition to amend the text of the Zoning was also received and notice of that hearing is given elsewhere in this volume of the *D.C. Register*. Further, pursuant to the proposed text amendments, the Applicant requests that the Zoning Commission grant a special exception to permit the a public library on the subject property with a lot occupancy in excess of that permitted as a matter of right, and with fewer off-street parking spaces than are required for the use in the R-5-A Zone District. The Office of Planning provided its report on October 13, 2009, which served as the supplemental filing for the map amendment portion of this case.

The Zoning Commission set down the applications for hearing on October 19, 2009. At that time, the Commission authorized a waiver 11 DCMR § 3014.1 to permit this hearing on to be scheduled less than forty calendar days after the publication of this notice. This waiver is unrelated to requirement under District law that the Commission is required to give affected ANCs thirty business days notice before taking final action to amend the text of the Zoning Regulations.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.

How to participate as a witness.

Interested persons or representatives of organizations may be heard at the public hearing. The Commission also requests that all witnesses prepare their testimony in writing, submit the written testimony prior to giving statements, and limit oral presentations to summaries of the most important points. The applicable time limits for oral testimony are described below. Written

statements, in lieu of personal appearances or oral presentation, may be submitted for inclusion in the record.

How to participate as a party.

Any person who desires to participate as a party in this case must so request and must comply with the provisions of 11 DCMR § 3022.3.

A party has the right to cross-examine witnesses, to submit proposed findings of fact and conclusions of law, to receive a copy of the written decision of the Zoning Commission, and to exercise the other rights of parties as specified in the Zoning Regulations.

Except for the affected ANC, any person who desires to participate as a party in this case must clearly demonstrate that the person's interests would likely be more significantly, distinctly, or uniquely affected by the proposed zoning action than other persons in the general public. Persons seeking party status **shall file with the Commission, not less than fourteen (14) days prior to the date set for the hearing, a written statement containing the following information:**

- (a) The person's name, address, and daytime telephone number;
- (b) A request to appear and participate as a party;
- (c) Whether the person will appear as a proponent or opponent of the application;
- (d) Whether the person will appear through legal counsel, and if so, the name and address of legal counsel;
- (e) A list of witnesses who will testify on the person's behalf;
- (f) A summary of the testimony of each witness;
- (g) An indication of which witnesses will be offered as expert witnesses, the areas of expertise in which any experts will be offered, and the resumes or qualifications of the proposed experts;
- (h) The total amount of time being requested to present their case; and
- (i) A written statement setting forth why the person should be granted party status, including reference to the following:
 - (1) The property owned or occupied by the person, or in which the person has an interest, that will be affected by the action requested of the Commission;
 - (2) The legal interest the person has in said property, such as owner, tenant, trustee, or mortgagee;
 - (3) The distance between the person's property and the property that is the subject of the application before the Commission;
 - (4) The economic, social, or other impacts likely to affect the person and/or the person's property if the action requested of the Commission is approved or denied; and

- (5) An explanation of how the person's interest as identified in response to paragraph (4) would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public.

The Applicant shall also provide the information indicated in (e) through (h) to the extent that the information is not contained in the Applicant's prehearing submission as required by 11 DCMR § 3013.1.

If an affected Advisory Neighborhood Commission (ANC) intends to participate at the hearing, the ANC shall submit the written report described in § 3012.5 no later than seven (7) days before the date of the hearing. The report shall also contain the information indicated in (e) through (h) above.

Time limits.

The following maximum time limits for oral testimony shall be adhered to and no time may be ceded:

- | | | |
|----|----------------------------------|-------------------------|
| 1. | Applicant and parties in support | 60 minutes collectively |
| 2. | Parties in opposition | 60 minutes collectively |
| 3. | Organizations | 5 minutes each |
| 4. | Individuals | 3 minutes each |

Pursuant to § 3020.3, the Commission may increase or decrease the time allowed above, in which case, the presiding officer shall ensure reasonable balance in the allocation of time between proponents and opponents.

Information responsive to this notice should be forwarded to the Director, Office of Zoning, Suite 200/210-S, 441 4th Street, N.W., Washington, D.C. 20001. **FOR FURTHER INFORMATION, YOU MAY CONTACT THE OFFICE OF ZONING AT (202) 727-6311.**
