SUBJECT: ANC 7B's Letter of Support to the D.C. Zoning Commission for the D.C. Public Library's Application for Text and Map Amendments and Special Exceptions at 3660 Alabama Avenue, S.E. (Parcel 67/204) - Zoning Case No. 09-17

This memorandum is to advise Mr. Jamison L. Weinbaum, Director of the District of Columbia Zoning Commission and his fellow Commission members, that Advisory Neighborhood Commission 7B members' voted unanimously (7 years) on November 19, 2009 during their monthly general meeting to support the District of Columbia's Public Library's application to the D.C. Zoning Commission for the following:
(a) amendments to the Zoning Map; (b) amendments to the Zoning Regulations; and, © Special Exceptions.

This application by the D.C. Public Library to the Zoning Commission for the District of Columbia is of special interest to Advisory Neighborhood Commission 7B, because its approval by the D.C. Zoning Commission is vital to the construction of a new full service public library to replace the Francis A. Gregory library at its current location.

Thank you for this opportunity to submit this Letter of Support in writing by ANC 7B. Please don't hesitate to contact the Commission, if additional information is needed. Vote by Commission on November 19, 2009. 7 years with no abstentions.
