Dear Mr. Weinbaum:

Reference is made to the D.C. Public Library's application for text and Map amendments and special exceptions at 3660 Alabama Avenue, S.E. (Parcel 67/204), Zoning Case No. 09-17.

This letter is to advise you and all members of the Commission that the Friends of Francis A. Gregory Library voted unanimously at its monthly meeting on November 2, 2009, to support the D.C. Public Library's application to the D.C. Zoning Commission for the following:

- (a) Amendments to the zoning map
- (b) Amendments to the zoning regulations, and
- (c) Special exceptions.

The application by the D.C. Public Library to the Zoning Commission is of great interest to the Friends as it is vital to the construction of a new, full-service public library to replace the current Francis A. Gregory Library at its current location.

Your review and positive consideration of the above are greatly appreciated. If other information is needed, please feel free to contact me on 202-582-7832.

Sincerely yours,

Miles S. Steele, President
