CASE NO.09-18
EXHIBIT NO.9

**TEXT AMENDMENT TO ALLOW MORE THAN ONE REGULAR MONTHLY
ZONING COMMISSION PUBLIC MEETING**

Washington, DC

Referred by the Zoning Commission of the District of Columbia

Delegated Action of the Executive Director

APR 30 2010

Pursuant to delegations of authority adopted by the Commission on August 6, 1999 and 40 U.S.C. §8724(a), and DC Code §2-1006(a), I find that the proposed text amendment to allow more than one regular monthly Zoning Commission public meeting would not be inconsistent with the Comprehensive Plan for the National Capital, nor would it adversely affect any other federal interests.

* * *

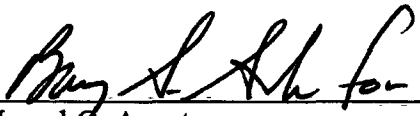

The Zoning Commission of the District of Columbia has taken a proposed action to amend Section 3005.6 of the District of Columbia Zoning Regulations to allow more than one regular monthly Zoning Commission public meeting. The amendment(s) to the text are indicated in **bold and underlined**, as follows:

CHAPTER 30 - ZONING COMMISSION RULES OF PRACTICE AND PROCEDURE

3005 - MEETINGS AND HEARINGS

3005.6 - A meeting of the Commission shall be held at least once each month in accordance with a schedule to be established by the Commission, and additional meetings as needed may be called by the presiding officer or by three (3) members.

The proposed text amendment is not inconsistent with the Comprehensive Plan for the National Capital and would not adversely affect any other identified federal interests. The purpose of the proposed text amendment is solely to address a procedural matter pertaining to the practices and procedures of the Zoning Commission, and will simply formalize a process that the Zoning Commission already partakes through the scheduling of special public meetings. The amendment does not result in changes to any of the area, bulk, height, or density requirements of the Zoning Regulations, nor does it include any changes to the zoning map. In order to ensure the continued timely review of all cases referred by the Zoning Commission, NCPC will continue to coordinate closely with the Office of Planning and Office of Zoning staff.

Executive Director
