RECEIVED
D.C. OFFICE OF ZONING
2010 FEB 22 PM 1:00

Dear Chairman Hood & Director Weinbaum,

I am writing in support of Advisory Neighborhood Commission 6C's request to postpone and reschedule the March 15, 2010 Zoning Commission hearing on Case No. 09-21, Text and Map Amendment to Create and Implement the Union Station North (USN) District.

The ANC has expressed concerns related to the proposed USN District Zone and its relationship to the District's Comprehensive Plan. In particular, there are unresolved questions about the impact on the adjacent residential neighborhoods and the "Western gateway" vision for H Street NE.

I hope that the Office of Zoning will grant the ANC's request and reschedule the March 15th hearing to allow additional time for community stakeholders to work with the city agencies and the developer to understand the project more fully and address the outstanding questions.

Sincerely,

Tommy Wells
