Subject: RE: Zoning Commission Review of Phase 2 of the Wharf - Zoning Commission Case 11-03J

Matt,
DCPL is in the process of planning for a new Southwest neighborhood library. Those plans are taking into consideration a wide range of factors including the impact of planned development projects including phase 2 of the Wharf. Based on our review, we are confident that the new library will be able to accommodate the impacts of this development project.

Thanks,
