Dear Members of the Commission:

On behalf of the Metropolitan Police Department's First District, thank you for allowing our agency to review and provide comments and feedback regarding the Application for a First-Stage Planned Unit Development Modification and Second-Stage Planned Unit Development Southwest Waterfront-Phase 2. While we are satisfied with the security plan that has been implemented within the Wharf property thus far (with the exception of a few documented incidents with the Anthem venue), there remains concern regarding the impact to the flow of traffic, particularly as it pertains to the egress of large crowds from planned events, and enforcement of for-hire vehicles violations (i.e., Uber, Lyft, private sedan services) along the Maine Avenue corridor, centering in the 700-1200 blocks.

Sincerely,

Morgan C. Kane
Commander
