CAUTION: This email originated from outside of the DC Government. Do not click on links or open attachments unless you recognize the sender and know that the content is safe. If you believe that this email is suspicious, please forward to phishing@dc.gov for additional analysis by OCTO Security Operations Center (SOC).

The attached file includes an image of the Merchants Marina Bar taken from my balcony, which a ZC member suggested I share. I've also included a rendering requested by the ZC Chair that more importantly reflects what was discussed during last night's hearing. Please let me know if there is anything else I can provide to ensure that Amaris residents are fully heard throughout this process.

Take care,
Mark
